

Licence for Music Use:

From:
(The Licensee)

Purple Planet Music
Budenberg Haus,
Woodfield Road,
Altrincham WA14 4RP

Date: 01/01/2018

This document grants a license from the copyright holders, Purple Planet Music, non-exclusive use of the musical recording

Name of musical track: Chistmas Wonder

This license grants the Licensor of our recorded works the non-transferable right to synchronize our music into your production under the following license agreement.

We are the sole copyright owners of the music and guarantee that one of the musical works are registered to any Performing Rights Organization, worldwide so you will not be expected to pay any additional fees for our music.

What you can do with our music:

- You may synchronize our music to pictures. The resulting film can be uploaded anywhere online, including video sharing sites such as youtube, vimeo etc. This includes channels that are 'monetized' by the selling of advertising.
- You may produce a product that can be downloaded by clients.
- You may produce a physical product such as a DVD where our music is synchronized to pictures. This may be sold via any medium. You can make unlimited copies of your product whether physical or online.
- You may synchronize our music to gameplay or Apps. The resulting product can be sold via any medium.
- You may publicly perform our music in up to 5 locations. I.e in a bar or to accompany exercise or meditation.
- You may synchronize our music to film that may be viewed via any medium i.e. on a DVD, online or in a theatre.
- You may synchronize our music to pictures in a product that you sell to a client: i.e. the music may be incorporated into an advertisement that you have made for a product.
- This licence is valid across multiple projects, and is valid for all time. i.e You may use the piece of music for more than one video or project.

Commercial and non-commercial usage. Your video may be shared without limitation and may be an advertisement for your goods and services or contain a commercial message.

Your video may be imbedded on other sites.

Territory: Worldwide. Your videos may be watched anywhere in the World.

You may use the music to synchronize to pictures on your own website.

Making custom edits to the music

You can chop up, re-arrange, add to or effect the tracks in any way you wish to fit your production. But, you cannot claim any intellectual rights to the new track you create or resell that track as your own.

Crediting us

You do not have to credit us, however to satisfy all third parties it is good practice to state the source of music, i.e. with the statement:

Music licensed from <http://www.purple-planet.com>

This could be placed in the text description of your video, or appear in the onscreen credits of the video

Copyright

Purple Planet Music are the sole copyright owners of the music.

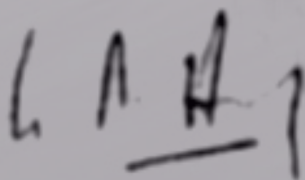

What you cannot do with our music

You cannot sell the video or grant a license to the video to another party.

You cannot permit your video to be broadcast on TV or radio without our express permission.

This licence is granted under the jurisdiction of English law

Authorized on behalf of Purple Planet Music by:
MR GEOFF HARVEY

A handwritten signature in black ink, appearing to read 'G. Harvey', is written over a faint, light-colored rectangular stamp or watermark.
